

Washfield Website

Statement of Purpose & Policy [June 2016]

Purpose

<http://www.parish.middevon.gov.uk/washfield/> aims to inform both Washfield and the wider world about the activities, events, people and history of Washfield.

Washfield Website Management Group (WWMG)

Washfield Website Management Group are volunteers who manage the website and its development. They include:

- A. A Central Team who enter and update information on the website, and handle technical and policy issues (e.g. links to other relevant websites.)
- B. A Representative from each Organisation offering a page, who channel its contributions to the Central Team and keep their own material accurate.

Policy

The website's aim is to serve the local community on an 'equal opportunity' basis. Participation is free. All organisations and businesses in the parish can contribute to its content, but the WWMG is obliged to remain impartial.

The website seeks to protect the privacy of individuals; it will not sell or rent personal information to any third party.

Those offering material are responsible for ensuring its accuracy and that any photos they offer do not include anyone unwilling to be shown on the website. *[\(The attached Media Consent Form may offer help here\)](#)*

The website does not publish viewer comments, but does welcome all email feedback sent to the WWMG via washfieldweb@gmail.com.
