MINUTES OF MEETING OF BORDENGATE PARISH COUNCIL

Huntsham Village Hall 16th July 2019

ATTENDEES Cllrs: R Maltby, C Hill, C York, D Southward, M Williams, T Bainbridge, J Gabb,
Cllr. H Bainbridge (Chair) Hazel Ridd (Clerk)

~ DCC Ray Radford, MDDC Jo Norton. Absent Cllr Adam Brown.

1. Apologies received from Cllr. S Mundy, working in Germany, MDDC C Collis, family funeral, Cllr. H. Corcoran – prior appointment.
2. Declarations of Interest – none
3. Minutes of last meeting – minutes taken as read – everyone in favour that they are signed as true record by Chair H Bainbridge
4. Items to Report – Chimney Down – R Maltby reported that funds are available through S106, if plans are accepted. Huntsham re abnormally big lorries, the possibility of signs was discussed with DCC Ray Radford who reports that it would not be possible through the DDC as the signs would require road traffic regulation permission, which would cost £5,000. The Parish Council would have to have permission to place signs, and this would probably not be granted, as drivers would be following directions/sat nav instructions. Other local parishes have similar concerns. Hockworthy notice board – Hockworthy Church and Village Hall, have arranged for this to be repaired/replaced (a 3 way split of the cost) by Terry Martin of Uffculme. Cllr M Williams, reports that the bridge on the Huntsham to Kerswell road is repaired – and Chair H Bainbridge asked the clerk to send an email to thank Philip Morgan of Devon Highways for seeing to this.
5. Planning 19/01102/FULL to resurface a farm track at Higher Staple Farm, Hockworthy – all agreed that given it is for a shorter distance (80 yards) and not the half mile on the application, then no objection. Clerk to notify planning dept.
6. Finance: accounts for payment: Clerk £280, Huntsham VH £6. Community First Insurance £160.65 Cheques signed at the end of the meeting.
7. Police report: Alert emails forwarded as appropriate-
8. See separate report from DDC Ray Radford. MDDC Jo Norton reported by 2023 the boundaries for the District Wards are to be renewed/changed to take into account the population growth. There will still be 42 in Mid Devon. Voted to keep 42 Councillors. The Climate Change emergency – with regard to Recycling the Mid Devon achieves 53% but this is still not enough. It has been shown that there is still a lot being thrown out in the general rubbish that could be recycled. Plastic is tracked and converted into furniture etc.
9. Correspondence – Huntsham War Memorial is to be listed, which is good news. Large rocks to protect the memorial is not practical, as it is too close to the road.
10. Clerks report - none
11. Councillors reports -M Williams reported that potholes in the Huntsham area have been repaired.
12. next meeting to be held 17th September in Clayhanger WI Hall, and 12th November, Hockworthy VH.

Chair Cllr H Bainbridge declared the meeting closed at 8:36 p.m.

Ch
