  4. BC updated the meeting on the AECOM Scoping Report and said he had spoken to his contact there on the 6th August who said that the only comments from their consultees were from Historic England and these concerned two sites identified in the Neighbourhood Plan. Namely, clarification was required on what measures would be employed to mitigate the impact of housing on the Glebe site and whether the proposed development on the Tiverton Road site would impact on the Conservation Area. Appropriate amendments were agreed and the NP was updated.
  5. The draft Design Statement, initially drawn up in 2016, was updated and amended though further work will be needed before finalisation
  6. AOB. JC said the presentation and discussion held by the Campaign to Protect Rural England on the evening of 18th September in Crediton which she and PN had attended, had been very informative and useful and she shared the salient details with the committee.
  7. Next meeting to be on the 22nd October and to be held in the Dorothy Grainger room.
