COLDRIDGE GARDENING CLUB:

January's meeting was our AGM and social event to ease us into the New Year. As well as reflecting on a very positive year and looking forward to the new schedule, the highlight of the evening was John's quiz, which looks like becoming a tradition. Thank you, John - same time next year? February's meeting celebrates Devon's cider-making heritage. Entitled 'Devon's Orchards - How Devon took to Cider', speaker Michael Gee explains how Devon switched from ale to cider, industry decline over the centuries and the renewed enthusiasm for the tippie in recent decades.

With pruning tips too, find out more on **Monday, 9th February at 7.30pm** in the **Village Hall**.

Everyone is welcome to join Coldridge Gardening Club - a family membership is only £15 for the year. Keep an eye out for news of upcoming events on all the usual village channels. If you are not (yet!) a member of the Coldridge Gardening Club, and would like to see what it's all about, please drop us a line on coldridgegardeningclub@ecomail.uk for more details.

Thanking you for your continued confidence and support, the committee looks forward to another action-packed Gardening Club year.

Tracy, Teresa and Nick. (Gardening Club Committee)

VOLUNTEERS NEEDED!

Gwen DuChesne, MBE, who is Mid Devon District Council's Cabinet Member for Parish and Community Engagement, has suggested that all Parish Councils should

have 2 named first aiders within each village, which would be such a benefit to all those that live within villages until emergency help arrives.

It would be really good to see this come to fruition asap?

There are a lot of vulnerable adults living in our rural villages and it would help all those who live remotely to be able to quickly contact a qualified First Aider.

Therefore, Coldridge Parish Council is looking for trained volunteers who would be willing to have their phone numbers published and be on call 24/7 to follow up on this idea.

If you would like to know more, or you wish to take on either of these two volunteer, unpaid roles please contact clerk@coldridge-pc.gov.uk.

THE OLD VILLAGE PHONE-BOX:

The old, listed phone box in Coldridge Village Square has now been decommissioned and bought by Coldridge Parish Council for £1 to save it being removed. They are looking for ideas on how to use this for the benefit of the community. If you have any suggestions please speak to one of the Councillors or contact clerk@coldridge-pc.gov.uk.

Guinness Men's Six Nations 2026 Planned Livescreen Fixtures in Coldridge Village Hall

Not long now to wait before the 2026 Six Nations Rugby Union tournament which starts on **Thursday 5th February** and all being well we are hoping to show a number of the 2026 tournament's matches live on the big screen in the Village Hall during February and March.

A provisional match screening plan (matches and timings) is shared below; updates/revisions (as required) will be advised via our WOICD Facebook page, Coldridge Calendar and the Village Hall noticeboard.

WOMEN'S INSTITUTE:

January saw Coldridge WI celebrate the New Year with a celebratory meal at the, ever popular, London Inn in Morchard Bishop. It's always lovely to spend an evening with friends and to enjoy the company alongside a delicious meal made it an extra special occasion.

We kick off the 2026 schedule on **Monday, 11th February at 7.30pm** in the **Village Hall** with 'Life During the War'. The evening's speaker is our own Beryl Meier, and we are privileged to have her talk to us about her experiences as a wartime evacuee in Drewsteignton. These first-hand accounts are becoming increasingly precious, so please join us for what promises to be a most fascinating and moving talk.

New members are always welcome or come as a guest (£3). Meetings are held (with the odd exception) on the second Wednesday of the month at 7.30pm in the Village Hall. Subjects range from charities and local interest groups, cookery demonstrations and craft

workshops to the arts and wellbeing. Look out for more information on the village socials. Hope to see you soon.

AND, FINALLY.....

A REMINDER FROM MID DEVON DISTRICT COUNCIL:

SAFE DISPOSAL OF BATTERIES:

Mid Devon residents are being reminded

of the importance of disposing of household batteries correctly.

Batteries, especially lithium-ion batteries commonly found in everyday devices, can pose a severe fire hazard when disposed of incorrectly. Fires caused by batteries can spread rapidly, resulting in extensive damage to waste vehicles and facilities, and creating danger for residents and waste operatives.

Recycling batteries correctly is not only a matter of safety but also a vital environmental responsibility. Batteries contain hazardous materials that can leach into the soil and water if not recycled properly. By ensuring batteries are placed in designated recycling boxes, we contribute to the protection of our environment and reduce the risk of fires.

Councillor Josh Wright, Cabinet Member for Environment and Services, said:

"Correct battery disposal is a simple step that can make a big difference. By recycling batteries safely, residents can help protect collection crews, reduce the risks of fires, and prevent harmful materials from damaging our environment.

"We're asking everyone to take a moment to check how they dispose of batteries and follow the guidance provided."

To help prevent battery-related fires, residents are encouraged to follow these essential guidelines:

1. **Use designated recycling boxes:** General household batteries can be recycled as part of your fortnightly recycling collection - batteries must be placed in a clear plastic bag or tub, and left on top of the black box clearly visible for our collection crews. We do not collect Lithium-Ion batteries at this time.

2. **Wrap or tape batteries:** Used batteries are not always completely discharged so take caution when disposing of multiple used batteries that could come into contact with one another. To dispose of the batteries safely, cover the positive terminal of each battery with tape.

Drop off at recycling centres: When in doubt, consider dropping off batteries at designated recycling centres or collection points.

Educate others: Spread the word about the importance of proper battery disposal to friends, family, and neighbours.

See our website for more [information on what to put out and where](#).
